NLSI LUI KWOK PAT FONG COLLEGE
Promotion of Reading Grant proposal 26-27

The major objectives for the promotion of reading:

1. To enhance students' motivation to embrace new knowledge by providing various reading activities with collaboration of subjects.
2. To foster students' self-directed learning by encouraging them to use the Smart Library equipment and resources.
3. To foster inspiration among students through showcasing their learning outcomes.
4. To enhance students' spiritual, physical, mental, and social wellness through subject-based reading programs of library books and e-books.

2026-2027 Budget Plan:

	Item	Estimated Expenses($)
1.	Printed Books	$28,000
2	Magazines & Newspapers	$ 4,000
3	Reading Activities	
	Writer talk	$ 4,000
	Promotion service of the reading club, application fee, transport fee for students joining reading activities, etc.	$10,000
	Materials and prizes for subject-based reading schemes, book-sharing competitions, reading award schemes, reading across the curriculum, book exhibitions, etc.	$14,000
	Total	$60,000

Remark:

1. For e-reading promotion, the school library will optimize the use of HKPL e-resources, including more than twenty e-reading platforms such as SJRC, OneDrive, Britannica Collective, and others.
2. The annual reading questionnaires will collect students' self-evaluations of their e-reading records.
