

**Programme Evaluation Report for
School-Based Support Scheme Grant for Schools with Intake of Newly Arrived Children
for the 2023/24 school year**

為有取錄新來港兒童的學校提供「校本支援計劃津貼」評估報告 2023/24 學年

Programme Content	Objective	Duration / Start Date	Evaluation	Expenditure (\$)
Non-fee-charging Supplementary Lessons	English Tutoring Sessions: To improve the language skills and boost the confidence	Feb - May, 2024	The English tutoring sessions have helped the newly arrived student improve the language skills and boost the confidence. Through interactive learning, students can use English more fluently and handle daily conversations with ease. Additionally, the tutoring program has fostered friendships among students, aiding their adaptation to the new environment.	\$ 3,059 (50.6%)
Extra-curricular activities / Visits	Visit to Disneyland: To strengthen the support for schools with intake of newly arrived children	27/3/2024	The newly arrived student had a fun and inspiring experience visiting Disneyland with peers and teachers. This trip allowed them to relax and relieve stress. The activity not only enhanced team spirit but also enabled students to build strong friendships in a joyful atmosphere. Participants significantly improved their understanding of the culture and felt more integrated, while also learning practical English that they could apply in real-life situations.	\$ 2,986 (49.4%)
