**D. Comments on the project conducted**

*Problems/difficulties encountered when implementing the project*

*(You may tick more than one box)*

- unable to identify the eligible students (i.e., students receiving CSSA, SFAS full grant); difficult to select suitable non-eligible students to fill the discretionary quota;
- eligible students unwilling to join the programmes (Please specify: \_\_\_\_\_);
- the quality of service provided by partner/service provider not satisfactory; tutors inexperienced and student management skills unsatisfactory;
- the amount of administrative work leads to apparent increase on teachers' workload; complicated to fulfill the requirements for handling funds disbursed by EDB;
- the reporting requirements too complicated and time-consuming; Others (Please specify): more communication is needed between subjects to cater for learners' diversity

**E. Do you have any feedback from students and their parents? Are they satisfied with the service provided? (optional)**

Services are useful, practical and enjoyable.

They are generally satisfied with the activities.
